I am interested in the following committee(s):

**Program Committee** – This committee assists in developing the content of the conference, including keynotes, workshops, breakout sessions and poster sessions. This is a time intensive committee from early July through the opening of the conference. Each of the sub-committees is individually chaired and fall under the Program Committee:

- Breakout Sessions
- Workshops
- Poster Sessions
- Survey Design, Analysis and Reporting
- Keynotes and Award Recipient
- Platinum Sponsor Sessions
- Session Coordinators

**Marketing Committee** – This committee assists in the overall promotion of the conference, including the general design, mailings, website, e-marketing and more.

**Sponsorship Committee** – This committee assists in the recruitment of the conference sponsors.

Note: If you choose more than one committee, you will be placed where there is the greater need.
