## REGISTRATION FOR THE 25TH ANNIVERSARY INNOVATIONS CONFERENCE IS OPEN:

*Early Bird Registration Ends December 8th*

 **Innovations in Testing 2024**

---

**BETTER TOGETHER**  
Embrace change. Share solutions.

---

**March 3-6, 2024 • Anaheim, CA • #ATPConf**

Registration and sponsorship is open for the 2024 Innovations Conference scheduled for March 3 – 6, in Anaheim, CA at the Anaheim Marriott. The theme of next year's conference will be: *Better Together – Embrace change. Share solutions.*

In 2024, the esteemed Innovations in Testing Conference proudly celebrates its 25th anniversary. For a quarter of a century, this conference has been at the forefront of the testing industry, a beacon for innovation, collaboration, and progress. This year's milestone event promises to be a defining moment as we unite to embrace the changes of today and be the solution for the future of testing.

## ATP Welcomes New Staff Members

*Advancing equity, integrity, and learning*

We are pleased to announce the addition of two exceptional leaders to our team, filling the void left by our retiring COO, Lauren Scheib. Erin Highlander Williams is our new Director of Finance and Administration. Nena Hollis is our new Director of Communications. These individuals bring a wealth of experience, expertise, and fresh perspectives that will undoubtedly contribute to the continued success and growth of our organization.

## **ATP's Standing Committee on Diversity, Equity and Inclusion in Assessment (DEI) Holds Insightful Webinar**

ATP's Diversity, Equity, and Inclusion (DEI) Committee informs ATP Members as well as the broader testing community of strategies and best practices for equity and fairness in testing as well as stimulates dialogue to encourage innovative approaches to diversity, equity and inclusion in testing.

The DEI Committee held its third webinar on October 12: *The Gray Zone in High-Stakes Testing: An Emerging DEI in Testing Dimension*. In this webinar, they discussed testing circumstances that may undermine test performance.

## ATP Submits Comments on Generative AI Copyright to Library of Congress

The Association of Test Publishers, last month, submitted its responses to the question posed in the Notice of Inquiry (NOI) issued on August 30, 2023, by the U.S. Copyright Office, regarding the copyright law and policy issues raised by artificial intelligence (“AI”) systems. Specifically, this response will answer the question raised in the NOI regarding

copyrightability of content that involves the use of generative AI (Q18). [\[Read More Here\]](#)
